

Special Me

Special, special, special me—
How I wonder what I'll be.
In this big world I can be—
Anything I want to be.
Special, special, special me—
How I wonder what I'll be.

I Have A Friend

I have a friend,
I'll keep till the end,
And we have fun together.

We laugh and play,
And sing all day,
In any kind of weather.

The Apple

I have a little apple, red and round.

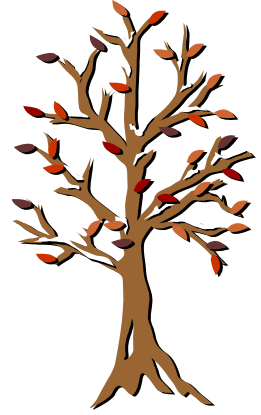

On a tree it is found.

If you take a bite you will see,

Just how tasty it will be!

Autumn Leaves

Oak leaves,
Maple leaves,
Apple leaves and pear!
Falling, whispering...
Autumn's in the air!

The Firemen

Clang, clang goes the fire truck,
When it is racing about.
The firemen work very hard to put the fire out.
With their hoses and their ladders,
They answer to fire call.
When the firemen fight the fires,
They really save us all.

December Celebrations

Every year at just this time,
In cold and dark December,
Families around the world
All gather to remember,

With presents and with parties,
With feasting and with fun,
Customs and traditions
For people old and young.

So every year, around the world
In all lands and nations,
People of all ages love
December Celebrations!

Weather!
(To the tune of 'Oh My Darling')

What's the weather?
What's the weather?
What's the weather, everyone?
Is it windy?
Is it cloudy?
Is there rain?
Or is there sun?

Dr. Martin Luther King Jr.'s Dream

Treat people kindly.
Do what is fair.
Work for ALL people
Show that you care.

Change what is wrong,
But please do not fight.
Think of new ways
To change wrong to right.

These are the ways,
If we work as a team,
To remember the man
Who said "I have a dream."

First Snow

Snow makes whiteness where it falls.
The bushes look like popcorn balls.
And places where I always play,
Look like somewhere else today.

Wiggly Tooth

Once I had a little tooth
That wobbled every day;
When I ate and when I talked,
It wiggled every way.
Then I had some candy— a sticky taffy roll,
Now where my wiggly tooth was—
Is nothing but a hole!

Valentine's Day

If I could be the postman
For just one single time,
I'd choose to carry Valentines
So lovely and so fine.
I would not mind the heavy load,
Or mind my tired feet.
If I could scatter happiness
All up and down the street.

Lincoln and Washington

Lincoln and Washington—
They are remembered on
Presidents' Day.
Two men in history
Who gave us liberty,
Oh, honor their memories
On this great day.

♣St. Patrick's Day♣

St. Patrick's Day is with us,
The day when all that's seen
To right and left and everywhere
Is green, green, green!

Irish tunes we whistle
And Irish tunes we sing,
To-day each Irish lad walks out
As proud as any king.

Spring, Almost

The sunshine gleams so bright and warm,
The sky is blue and clear.
I run outdoors without a coat,
And spring is almost here.

Then before I know it,
Small clouds have blown together,
Till the sun just can't get through them,
And again, it's mitten weather.

My Garden

This is my garden,
I'll plant it with care,
Here are the seeds I'll plant in there,
The sun will shine,
The rain will fall,
The seeds will sprout and grow up tall.

Fuzzy Wuzzy Caterpillar

Fuzzy wuzzy caterpillar
On a leaf you creep.
Spin yourself a blanket
And then go fast asleep.

Fuzzy wuzzy caterpillar
Wakes up by and by.
Now you have two pretty wings
You're a butterfly!

My Mom

My mom is like a flower
On a sunny summer day.
I'd pick her in a minute
If I could have my way.

My mom is like the sunshine
She warms my heart each day.
She makes me feel like smiling,
It's just her special way...

Of saying that she loves me,
The way that mothers do.
My mom is very special,
That's why I love her, too!

A Trip to the Zoo

The zoo is an amazing place—
Where tigers yawn and lions pace.
Where monkeys swing and pandas climb,
Where peacocks strut and snakes unwind.
Where sleepy elephants chomp on hay.
Where seals and otters play and play.
So many animals BIG and small—
I love to watch them one and all!

Summer Vacation

Be careful when you swim!
Be careful when you play!
Be careful in the things you do
On every summer day!

Make your summer safe;
Make vacation fun:
Remember you must use your head
To ride and jump and run.
